DESCRIPTION

This list of senior decision makers is the most comprehensive list of libraries, museums and records repositories in local, state and federal government, universities and public health.

This list is sourced from A-ZGovBIZ - a database of key decision makers at all levels of the public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country. The database is maintained by our team of data analysts and sits at a high 98% accuracy.

A-ZGovBIZ is committed to accurate and detailed information and because we are specialists in public sector data it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
