DESCRIPTION

This list covers IT decision makers in the public sector. This covers not only IT Managers but other key influencers of the IT procurement decision-making process such as Finance Managers. These contacts also have an important role in making the decision to buy your IT product and therefore are worth targeting for your marketing campaigns.

The data is sourced from A-ZGovBIZ - a database of key decision makers and influencers at all levels of the public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country, and more. The database is maintained by our team of analysts and sits at a 98% guaranteed data accuracy.

A-ZGovBIZ is committed to accurate and detailed information. Because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
