DESCRIPTION

The A-ZGovBIZ Law and Security database covers all decision makers in law and security related areas of the public sector throughout Australia. A-ZGovBIZ has a strong commitment to data quality. The entire A-ZGovBIZ database is not only comprehensive but also sits at a high 98% guaranteed data accuracy.

Our database contains over 50,000 key decision makers at all levels of the public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country, and more.

A-ZGovBIZ is committed to accurate and detailed information and because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
