### DESCRIPTION

This list of State and Federal MPs is a comprehensive snap-shot of Members and Ministers in both the Upper and Lower Houses of Parliament throughout Australia.

As elections occur, A-ZGovBIZ is at the forefront, keeping our database up-to-date with the new and existing members. This list is excellent for lobbyists, government consultants and news gathering organisations wishing to target State and Federal Members.

This list is sourced from A-ZGovBIZ - a database of key decision makers at all levels of government. Contacts can be selected by job function, number of employees, level of seniority, metro/country, and more. The database is maintained by our team of analysts and sits at a high 98% level of accuracy.

A-ZGovBIZ is committed to producing accurate and detailed information. Because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector database available for rent, purchase or license.
