DESCRIPTION

This list contains Property and Asset Managers in the public sector.

The data is sourced from A-ZGovBIZ - a database of key decision makers at all levels of the public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country, and more. The database is maintained by our team of analysts and sits at a 98% guaranteed data accuracy.

A-ZGovBIZ is committed to accurate and detailed information. Because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
