### **DESCRIPTION**

This list contains the contact name and address of the IT Decion Maker in schools in Australia.

Available nowhere else - this unique list has been researched by our dedicated research team to sit at 98% data accuracy. It checked and updated at twice a year due to high movement of personnel within schools.

This list is sourced from A-ZGovBIZ - a database of key decision makers at all levels of the public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country.

A-ZGovBIZ is committed to accurate and detailed information and because we are specialists in public sector data it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
