### DESCRIPTION

This is a list of School Principals in Primary, Secondary, Combined and Special schools throughout Australia. Schools are regularly reviewing their purchasing requirements, so it is important that your marketing promotions are prepared early and that you have the most accurate schools data available.

This list of School Principals is sourced from A-ZGovBIZ - a database of key decision makers at all levels of the public sector. Contacts can be selected by job function, number of staff and student, level of seniority, metro/country, and more. The database is updated twice a year by our team of data analysts and sits at a guaranteed 98% data accuracy.

A-ZGovBIZ is committed to accurate and detailed information. Because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector data available for rental, purchase or license.
