DESCRIPTION

This list covers senior decision makers in ports, roads, bridges, tunnels, rail, ferries, as well as energy, gas, electricity, water and mining organisations that are either fully or partially owned or run by a government agency.

This list has been researched by our team of analysts to sit at 98% guaranteed data accuracy.

The figures are sourced from A-ZGovBIZ - a database of key decision makers at all levels of public sector. Contacts can be selected by job function, number of employees, level of seniority, metro/country, and more.

A-ZGovBIZ is committed to accurate and detailed information. Because we are specialists in public sector data, it is regarded as the highest quality and most comprehensive public sector data available for rent, purchase or license.
